

Visit of Hon'able Karma Yeshey
Secretary, Royal Government of Bhutan
Ministry of Education, Thimphu, Bhutan

Hon'able Karma Yeshey, secretary Ministry of Education, Royal Government Of Bhutan, Bhutan, along with his delegation have visited MERI College of Engineering and Technology on 23rd April 2018. He was looking forward technical cooperation between MERI College of Engineering and Technology and Royal Government of Bhutan for engineering education for the students of Bhutan.

They visited various Laboratories, Computer centre, Library, Workshop, Sports facilities and other facilities available. He visited innovations @ MERI CET, the project room where innovative projects designed by students of all engineering streams were exhibited. He took keen interest in each and every project. He appreciated the projects like Metro Rail Model, suitcase car and ATV (All Terram Vehicle) and the future car based on renewable eco-friendly energy sources like solar, wind, noise pollution and vibration energy and the efforts put in by students in other projects exhibited at MERI CET.

He also visited the facilities available in the hostel for the comfortable stay of students. At the end a sapling was planted at MERI CET Campus to honor his visit for growth of friendship and technical cooperation between MERI College Engineering and Technology and Ministry of Education of Royal Government of Bhutan.

Remarks (...) put by hon'able Karma Yeshey in visitor's book of MERI CET was appreciable on the occassion of 50th anniversary of INDO- BHUTAN friendship.
