CELEBRATING 38 YEARS OF EXCELLENCE

ALUMNI VOICES

MERI GROUP OF INSTITUTIONS

PRAGATI CHADHA

Senior Asst. Director Human Resources- FICCI

MERI has well thought blend of professional as well as academic curriculum. The overall experience of the PGDM course was extremely relevant and has complete practical approach. The faculties (both full time and visiting) are really inspiring with immense subject expertise. Last decade has been an amazing journey professionally, numerous moments where I actually got an opportunity to imply on ground what I learnt in my PGDM days. I really thank all my faculties who guided me during the course. Wishing all the very best.

HARJAS SINGH POPLI

President - Fateh Care Inc

Great faculties and good environment of MERI has helped me to become a better human being and a better professional. The counselling and grooming sessions at MERI which is an important aspect of today's corporate world ensures that we face the challenges and adhere to the structures.

AVNISH SAXENA

Vice President - 24 Seven Cart

In this college I enhanced my practical knowledge and professional skills in management field. As a student I learnt many facts and knowledge from the experienced teachers. Side by side I improved my interpersonal skills and management qualities in professional environment of MERI.

VIKRAM MEHRA

Regional Manager - Parikh Shipping

My journey with MERI has been a life turning chapter as since then, I was exposed to real life experiences wherein we were prepared to decide and choose what is best for us. I am sure a mix of academics with such exposures gives confidence and helps you to achieve goals.

GIRISH GULABANI

Assistant Vice President - IIFL Finance

"An Investment in Knowledge pays the best interest", this is what MERI taught me during my college days. Faculty @MERI were just amazing, they don't just teach the stuff from books but also how practically we need to treat Corporate World. I am glad to study in such a beautiful and amazing campus with highly qualified and market experienced faculty members.

SRISHTI ASRANI

Team Leader - Newland Chase

The years spent in MERI have been full of learning opportunities that were full of fun and frolic and sometimes with academic grind that one has to go through.

GURSIMRAN SINGH

Vice President - Delhi Hockey Association

MERI is very lucky for me because I had got all those things which I wanted in my life, I got motivated towards Entrepreneurship.

NEHA NAGAR

Founder - Digiwhistle

Featured in Forbes as Top 100 Digital Stars of India

I have to say that my experience there was overwhelmingly positive. The combination of a strong emphasis on career development, placement excellent faculty, and a supportive environment makes it a great choice for anyone looking to succeed in their studies and beyond.

ANKIT RAVINDRA JAIN

Inspector in Income Tax Department

I studied at MERI for two years and went to France for student exchange program. Presently I'm working as an Inspector in Income Tax Department since half a decade, the credit goes to my all the faculty members.

ADARSH RAI

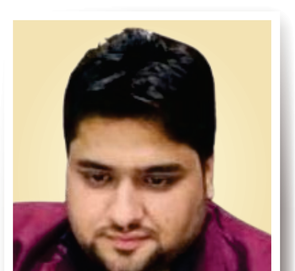
CEO - Brainhub

Our college is the best place to develop your career, you can learn new things under design thinking and there are many platforms to showcase your talents.

PRAVEEN NAYAN

Manager - HDFC Bank

The best part of the teachers is that there is a passion among them which they want to put into the blood of the students for how to achieve success in life.



PRINCE GUPTA

Founder - Digitech Wizard

MERI offered highly challenging but equally stimulating environment for me, to help my career direction away from the 'Job Seeker to Job Provider'.

ANAND GUPTA

Founder at Paathshala

My life at MERI made me stronger and took me a step ahead for being an independent person.

CHANDRAKANT SHARMA

Lead - Operations - KMIPL

MERI College has produced many notable alumni who are shining and serving in different sectors of society. The college has provided a great platform considering the unstable and chaotic conditions in the valley. In near future, I hope to see the college among the top colleges in India with a stronger campus selection and highly advanced technology for students to explore and compete in the market worldwide.
