Sanitation Drive Week – A Step Towards a Cleaner Tomorrow

Dear Faculty Members and Students,

Join us in making a difference! The CSR Club “AAGHAZ”/ NSS Unit of MERI is organizing Sanitation Drive Week starting from July 27, 2023, to promote cleanliness, hygiene, and environmental sustainability. This initiative aims to instill a sense of responsibility among students and faculty to maintain cleaner and healthier campus and surroundings.

The event will kick off with an inaugural session at the MERI Activity Centre at 10:00 AM on July 27, 2023, where we will highlight the collective role we play in ensuring a cleaner environment. Participants will be grouped into teams, each taking charge of designated areas for effective cleanliness efforts.

Certificates of appreciation will be awarded to those who actively contribute to the initiative. Let's take this opportunity to be the change-makers and inspire a cleaner, healthier future!
