**Veer Smriti: Honoring the Legacy of Our Martyrs**

All faculty members and students of MERI,

The CSR Club/NSS unit of MERI is proud to announce the Veer Smriti: Honoring the Legacy of Our Martyrs program, scheduled for 11th June 2023. This initiative is dedicated to paying tribute to the brave soldiers who made the ultimate sacrifice for our nation and aims to instill a deeper sense of patriotism and responsibility among students.

The event will commence with a solemn tribute, followed by insightful addresses from faculty members and a special guest—a retired defense personnel—who will share experiences of courage and dedication. A key segment of the program, the Martyrdom Ownership Initiative, will provide students an opportunity to take responsibility for maintaining martyrdom nameplates, symbolizing their commitment to honoring our national heroes.

We invite all students and faculty members to participate in this inspiring event and contribute to preserving the legacy of our martyrs.

Date: 10th June 2023

Time: 10:00 AM onwards

Venue: College Campus
