NOVICE TO LEADERSHIP

MERI transforms students from foundational learners to industry-ready professionals through its cutting-edge curriculum, expert mentorship, and holistic development approach. MERI bridges the gap between theory and practice, offering experiential learning, global collaborations, and advanced skill-building programs. The institute's state-of-the-art infrastructure, industry exposure, and robust placement support ensure students are equipped to excel in the modern professional landscape. At MERI, every learner is empowered to lead, innovate, and succeed.

MERI Makes it Happen!

ABOUT US

MERI Group of Institutions is a premier academic institution providing quality education in India, established in 1996 in the States of New Delhi and Haryana, MERI-Group is an ISO 9001:2015 certified & NAAC accredited institution. It has established itself as a Centre of Excellence in education, with focus on providing quality education in the fields of Engineering, Management, Law, Journalism, Information Technology, Teacher's Training and School Education. Presently, five academic institutions are being operated by the Group in New Delhi and NCR.

Presently, MERI-Group has 30+ Global collaborations with reputed Universities and Educational Institutions from Thailand, China, South Korea, France, Germany, Bulgaria, Uzbekistan and Canada for students & faculty exchange, research, and related academic activities. MERI Group of Institutions is striving to help youth to develop their skills and values by not just letting them go through life but grow through life.

VISION

To excel in professional education and research to industry and society.

MISSION

- To impart training to student to become professionally committed, ethical professionals and entrepreneurs.
- To optimize use of latest pedagogy for knowledge transfer.
- To transfer understanding of theoretical concepts into real life scenarios.
- To create conducive environment where innovative ideas and research flourish.

PRESIDENT'S MESSAGE

**“Excellence through Education
and Innovation through Vision”**

In today's dynamic and linked world, management education must go beyond conventional constraints. With this vision in mind, we redesigned the PGDM program with **Quadra Specializations** to cater to the fast-changing demands of the worldwide market. Our innovative PGDM program unites cutting-edge knowledge with practical insights, focusing on the expertise of world-class professors, industry leaders, and international relationships. Our endeavor is not merely an academic pursuit; it is a commitment to cultivate righteous, innovative, and internationally oriented professionals who are going to make significant contributions to the society.

I welcome candidates to come join us in this exhilarating phase of our PGDM program, where opportunities are inexhaustible and achievements transcend borders. Let us together travel on a journey of excellence, creative thinking, and contribution.

PGDM 2.0 is the relaunch of PGDM program which was run by MERI for over 25 years. Because of the COVID 19, the program was suspended for few years and will now be offered with new design and commitment.

A green ink signature of Shri L. P. Aggarwal.

Shri L. P. Aggarwal

President, MERI Group of Institutions

VICE-PRESIDENT'S MESSAGE

**“Empowering future leaders with
Innovation, Insight, Integrity and Impact”**

With great pleasure and pride, we commemorate the relaunch of our esteemed Postgraduate Diploma in Management (PGDM) program. This revamped PGDM program exemplifies our institution's commitment to innovation, academic quality, and educating future leaders to meet the challenges of an ever-changing global landscape.

The revamping of this course shows our ongoing commitment to staying ahead of the curve by integrating modern developments, the latest innovations, and around the world best practices into our PGDM curriculum. Our PGDM program is now more dynamic and comprehensive, enabling students with unprecedented opportunities for gaining a competitive advantage through international immersion, industry collaborations, and hands-on experience learning.

I am enthusiastic that the program will not only meet, but surpass, the high standards of prospective managers and industry leaders. With the guidance of our world-class faculty and partnerships with renowned international institutions, we strive to create a transformative learning experience that will educate our students to innovate, lead, and make a positive difference in a rapidly changing world.

PGDM PROGRAM @MERI: EMPOWERING FUTURE LEADERS

PGDM Program at Management Education & Research Institute (MERI) is designed to create future-ready business leaders equipped with the skills, knowledge, and innovative mindset required to excel in the dynamic global business environment.

Program covers core management disciplines, including Marketing, Finance, Human Resources, Operations Management & Analytics, International Business, Design Thinking, Strategy & Entrepreneurship, AI & IT, FinTech. The program integrates academic rigor with practical insights through case studies, live projects, internships, and industry interactions. Students gain firsthand exposure to real-world challenges and opportunities. The curriculum is updated regularly to reflect industry trends and global business practices.

INNOVATIVE CURRICULUM

Tailored to face global challenges in the field of management. MERI's innovative curriculum for a PGDM Program is intended to bridge the gap between conventional management education and the dynamic demands of the global business environment. It promotes experiential learning, multi-disciplinary methodologies, and a strong industry interface to prepare students for global leadership roles.

INTEGRATED CERTIFICATION

MERI is proud to offer integrated certification programs in collaboration with leading global organizations. KPMG, recognized for its expertise in advisory, audit, and business services; Grant Thornton Bharat, a global leader in professional services and business growth solutions; Harvard Publishing House, celebrated for its advanced resources in management and leadership education; and Right Management, renowned for its innovative practices in talent and career management solutions, collectively bringing their unparalleled excellence to ensure students receive world-class learning and certification.

INTERNATIONAL IMMERSION

MERI - Group has 30+ Global collaborations with reputed Universities and Educational Institutions from Thailand, China, South Korea, France, Germany, Bulgaria, Uzbekistan and Canada for students & faculty exchange, research, and related academic activities.

An international immersion program is a transformative component of our PGDM curriculum, aiming to provide students with a global perspective and hands-on experience in global business environments. This meticulously designed experience integrates academic learning and cultural exploration, providing our PGDM students with the competencies and insights vital to be successful in a globalized world.

Why Choose MERI for PGDM?

Facilities @MERI

The institution boasts state-of-the-art infrastructure designed to create an ideal learning environment. It features modern classrooms equipped with advanced teaching aids to enhance the educational experience. Dedicated research labs for business analytics and market research provide students with the tools and resources to develop practical insights and innovative solutions. Comprehensive IT support, including licensed software for financial modeling and analytics, ensures students are well-prepared for the digital age. Additionally, sports and recreational facilities are available to promote holistic development and encourage a healthy balance between academics and extracurricular activities.

OUR ALUMNI

MERI offers a well-balanced mix of professional and academic learning. The PGDM course is highly practical, with inspiring faculty. Lessons learned have shaped my career, and I'm grateful to my mentors. Best wishes!

Pragati Chadha (Batch: 2004-2006)

Senior Assistant Director, Human Resources, FICCI

Entering MERI in 2008, I had doubts about my path, but faculty support and experiences provided clarity. MERI shaped my mindset beyond academics, making PGDM a lifelong journey. Grateful for its profound impact!

Sachendra Bajpai (Batch: 2008-2010)

DGM, Rajiv Gandhi Cancer Institute and Research Center

Joining MERI's PGDM in 2006 was a game-changer, shaping my career and unlocking my potential. Its industry-aligned curriculum and hands-on projects led to my campus placement, making MERI the launchpad for my success.

Sudip Gupta (Batch: 2006 – 2008)

Deputy General Manager, Kalkine Pty Ltd, Australia

The passion of MERI's teachers is truly inspiring—they instill in students the drive to succeed in life. Their dedication goes beyond academics, shaping both professional and personal growth. Grateful for their guidance on my journey.

Praveen Nayan (Batch: 2013-2015)

Manager, HDFC Bank

My PGDM at MERI was an enriching experience. The college's legacy, experienced faculty, and insightful seminars created a great learning atmosphere. Entrepreneurship sessions played a key role in shaping my journey as an entrepreneur.

Anand Narayan Gupta (Batch: 2009-2011)

Founder Director, Paathshala English Medium School

The years spent in MERI have been full of learning opportunities that were full of fun and frolic and sometimes with academic grind that one has to go through.

Srishti Asrani (Batch: 2014-2016)

Team Leader, Newland Chase

MERI's PGDM program helped me grow professionally and socially, learning from diverse peers and industry-expert professors. The energetic campus fostered learning and collaboration, making MERI the perfect launchpad for my corporate journey.

Girish Gulabani (Batch: 2008-2010)

Regional Head, IIFL Finance, Gujarat & South Rajasthan

Education is life itself, and MERI played a key role in mine. Completing my PGDM in 2013 led to a campus placement at ICICI Securities. Grateful to my mentors for their guidance, which still drives my growth.

Deepak Kumar Sharma (Batch: 2011-2013)

Associate Director, Standard Chartered Bank

INDUSTRY READINESS

MERI provides an unprecedented environment for exchange of knowledge, providing students with multiple points of view, enhanced resources, and cutting-edge research. Students learn about inter-national business methods, peculiarities of culture, and emergent market dynamics first hand through collaborative programs, exchange opportunities, and global study excursions.
